"Church Annual Business Meeting (APCM)"

This week is the church APCM where we gather together to discuss the business matters of the church. This can be to do with who represents us in city wide meetings to who represents the church within the leadership of St Mary's at the PCC. We discuss stories from the passed year and the direction we are going in the future. We also hear from Dave Walters about the finances of the church, in a legendary and unique report of the accounts!!

I would love to hear what the children and young people from St Mary's have to say about our church!!
What you think matters and so we want to hear your voice!!

**Could you, draw a picture, or write a poem showing—
What you love about St Mary's**

Send it in to churchoffice@wythallchurch.net and we will show it during a service. If you are able to send it during the actual meeting by 11:30 on Sunday morning it might even be shown at the meeting!!

We'd love to hear from children and young people of all ages
